

## Illinois Department of Transportation

*Danville Main Street (US 136) from Pine Street to Collett Street*

July 20, 2006

For the Week of July 23 to 28, 2006

Duce Construction will continue to build the Lauhoff Street intersection and pour concrete pavement near the Norfolk Southern Railroad. Duce will continue building concrete entrances and sidewalks.

Lauhoff Street will remain closed.

Traffic has been routed to the south side of Main Street from Collett to Jackson Street. There is one lane in each direction.

All businesses are accessible from either Main Street or from Van Buren Street. Van Buren Street runs parallel to Main Street, one block north of Main Street.

Please use caution when driving in the work zone.

Please obey the 20 mph speed limit in the construction zone.

All left turns are prohibited except for Lauhoff and Buchanan Streets.

Moderate delays and congestion are expected for this week.

For your safety, please stay out of the work areas, and obey the sidewalk closed signs.

Please be aware that Danville Mass Transit might alter bus routes. Please contact them for more information.
